Colonel White -

The attached is a copy of the Jack Blake paper I mentioned to you. I understand that FE has been in touch with John Clarke in connection with the memorandum to say that FE had no funds to utilize for this purpose. I also understand that John has spoken with Jack Blake, pointing out the over-all funds shortage and suggesting that perhaps issues made now could be funded later. Jack, I believe, made to the point to him that I mentioned to you, namely, that the issues are from [REDACTED] which belongs to [REDACTED] and, if the Clandestine Service wishes the items to be replaced, some current funding will be necessary.
